Re: Change of parent company for NRC Licenses 06-02269-03 and 06-02269-04G

03003779 03017749

Dear Sir or Madam:

Sikorsky Aircraft Corporation is the holder of 2 licenses issued by the U.S. Nuclear Regulatory Commission ("NRC"): 06-02269-03 and 06-02269-04G.

The purpose of this letter is to notify you and obtain the prior written consent of NRC to retention of the licenses by Sikorsky Aircraft Corporation upon the transfer of ownership of Sikorsky Aircraft Corporation from United Technologies Corporation to Lockheed Martin Corporation. This will be a sale via stock transfer.

In accordance with NRC regulations, the information necessary for such a transfer is below (as taken from NUREG 1556-Volume 15 Section 5).

1. *Description of the transaction:* United Technologies Corporation has entered into an agreement to sell Sikorsky Aircraft Corporation to Lockheed Martin Corporation via the sale of stock. There will be no change in the name of the Licensee nor in the contact name or telephone number in connection with the proposed transaction.
2. *Changes of personnel:* There is no planned change to the Radiation Safety Officer. Contact information remains Julius Vaughn, 203 386-7553, jvaughn@sikorsky.com. There is no planned change in any personnel related to the licensed programs.
3. *Changes of location, equipment and procedures:* There are no planned changes in the organization, location, facilities, equipment or procedures that relate to the licensed programs.
4. *Surveillance records:* The surveillance program remains current and records are maintained. There is no change in the status of the surveillance program (surveys, wipe tests, quality control) as a result of this transaction.
5. *Decommissioning and related records transfers:* All of the records will remain in the same physical location. The status of the facility will remain unchanged after the transaction closes, and the liability for any decommissioning or decontamination activities will remain with the Licensee.
6. *Commitments:* This transaction will not create a new licensee and will not change the Licensee's existing commitments under the Licenses. Sikorsky Aircraft Corporation will continue to abide by all constraints, license conditions,

requirements, representations, and commitments identified in and attributed to these NRC licenses. There are no open inspection or enforcement issues.

The closing of the proposed transaction is expected to take place in the fourth quarter of 2015. Accordingly, we respectfully submit that this request for written consent be reviewed, and such consent be provided no later than October 31, 2015 in order to allow the companies to close on schedule.

If you have any questions or comments, please contact Annette McNeely at Sikorsky Aircraft Corporation.

Sincerely,
