NOTICE

This message is intended only for the use of the individual or entity to which it is addressed and may contain information that is privileged, confidential, or exempt from disclosure under applicable law. If the reader of this message is not the intended recipient or the employee responsible for delivering the message to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this communication is strictly prohibited. If you received this communication in error, please notify the sender immediately by telephone and return the original to the above address, by U.S. Mail. Thank You.

The following additional information is needed to complete the review of your request to move your location of use/storage and mailing address.

1. Please confirm that you wish your mailing address and location of use/storage to be specified on the license as:
3300 E. Bristol Road
Burton, Michigan 48529
2. Please be advised that we cannot authorize you to release your old facility located at 3245 Card Drive, Burton, Michigan, for unrestricted use until we have received and reviewed a copy of the results of your close-out survey (evaluation). The survey (evaluation) needs to address the following:
 - a. A history of all radionuclides (sealed sources) used at your old facility located at 3245 Card Drive, Burton, Michigan. For example, we used millicurie amounts of cesium-137 and americium-241 in sealed source form in Troxler Model 3440 and 3411, moisture/density gauges.
 - b. A copy of the leak test results for the sealed sources that were current when your gauges were transferred to the new location of use/storage at 3300 E. Bristol Road, Burton, Michigan.
 - c. Please specify if you have had a history of any leaking sealed sources. If you have not had a history of any leaking sealed sources please state so.
 - d. Please confirm all radionuclides (sealed sources) have been removed from your former storage location and transferred to the "new" address of use/storage at 3300 E. Bristol Road, Burton, Michigan.
 - e. Please submit a copy of the acknowledgement document that the all radionuclides (sealed sources) were received (also specify date) at the new location of use/storage at 3300 E. Bristol Road, Burton, Michigan where the gauges were shipped.

Please send a facsimile (630-515-1078) of your response to the above within 7 days and state, Response to Control 588499. Please include a cover letter on company letterhead, dated and signed (signed by an individual who is authorized to sign official documents on behalf of the licensee) with your response letter. Please call me at 630-829-9839 if you have any questions.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this facsimile and the attached documents will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).
