Comment on FR Doc # 2015-20722

Submitter Information

Name: Debbie Oberhausen

General Comment

Changing the "rules" does not change the truth. Get busy and figure out how you are going to prevent all the US nuclear facilities from killing large areas of America when they fall apart, instead of telling us "it's good for us". We are so sick of you and all the super rich. Work for the people who hired you and gave you a chance.
