Subject: Additional Information for Authorized User

Discussion: I contacted Dr. Lissman to get additional information about the training and experience for the proposed authorized user requested in the amendment. I left a voicemail and called again and spoke with the office manager. I asked the licensee to send documentation of training and experience for the proposed authorized user that demonstrates that topics were covered as mentioned in NUREG 1557 Volume 7. She stated that she would have that documentation sent to me and that refresher training for radioactive material use would be given rad users during the week of September 21, 2015.
