Dear Sir,

CB&I Laurens is requesting an extension until October 9, 2015 to finalize the response to the letter referenced above. CB&I was not able to provide the response within thirty (30) days as initially thought because of the review process with CB&I Licensing required further analysis. The letter did not initially specify a date for submission, but in conversation with Yamir Diaz-Castillo he suggested a response in thirty (30) days and extension letter if more time was needed. Should you have any questions regarding this submittal, please contact Matt Rossignol, Quality Manager, at (864) 683-3986.

Regards,

Matt Rossignol  
Quality Manager
