~~SAFEGUARDS INFORMATION~~

In accordance with Reference 1, Enclosure 5, Florida Power and Light Company (FPL) submitted for Turkey Point Units 3 and 4, an alternative course of action for performing the requested actions and providing the requested information (Reference 2). Enclosure 1 of Reference 2 described the alternative course of action and schedule for responding to the Emergency Preparedness – Staffing, Requested Information.

The Reference 3 guideline was developed by the Nuclear Energy Institute (NEI) for the performance of communications and staffing assessments associated with a response to a beyond design basis external event. This NEI guideline was endorsed by the NRC in Reference 4. Reference 6 provided the FPL Turkey Point Phase 2 Staffing Assessment Report. As discussed in Reference 5, FPL provided the non-SGI Turkey Point responses to staffing assessment questions related to use of the security personnel during a beyond design bases event in the Enclosure of Reference 6.

The Attachment to this letter provides the FPL Turkey Point Units 3 and 4 Phase 2 Staffing Assessment Report, Safeguards portion of the responses to staffing assessment questions related to the use of security personnel during a beyond design bases event.

The Attachment contains Safeguards Information that must be protected from public disclosure as required by 10 CFR 73.22, "Protection of Safeguards Information: Specific Requirements."

If you have any questions or require additional information, please contact Mr. Timothy Eck, Security Manager at 305 246-6605.

I declare under penalty of perjury that the foregoing is true and correct.
