To: Mike Bielby
NRC Lead Examiner

From: James W. Davis *mm for J.W. Davis*
Manager, Nuclear Training

Subject: Initial Licensed Operator Examination Post Exam Delivery Package

Included in this package is:

- Applicants written exam cover sheet
- A photo copy of each applicant's graded answer sheet
- Each applicant's original answer sheet (ungraded)
- The master examination with answer key (no changes made during exam administration)
- Candidate questions and proctor responses during written exam administration
- Written exam seating chart
- Completed Form ES-403-1, Written Examination Grading Quality Checklist
- Written examination performance analysis
- Partially completed original Form ES-201-3, Examination Security Agreement
- A copy of all the CARDS (Corrective Action Resolution Documents) written following the examination.

The Fermi 2 license candidates have no post written exam comments on the ILO NRC Exam. Thank you for all of the hard work and support from you and your staff during the examination preparation and administration.
