SUBJECT
Licensee's request to expand the range of low enriched uranium that they can receive

SUMMARY AND ACTION REQUIRED (IF ANY)

1. For the higher end request, you will need to provide a specific ceiling, e.g., 19.75%. We will not accept <20%. There is too much uncertainty that you will be able to stay under 20% with the known tolerance variations.
2. Submit procedures that will be implemented to verify that what you receive does not exceed possession limits, or the percent enrichment that you commit to stay within.
3. Describe procedures that will be implemented in the event that you receive material outside of the range that is described in your license.
