Mr. John P. Fitzpatrick, Director
Information Security Oversight Office
National Archives and Records Administration
700 Pennsylvania Avenue, NW, Room 100
Washington, D.C. 20408-0001

Dear Mr. Fitzpatrick:

In response to your memorandum of July 20, 2015, enclosed is the U.S. Nuclear Regulatory Commission's (NRC) fiscal year (FY) 2015 "Agency Annual Self-Inspection Program Data" form. The enclosed form provides a description of the NRC's self-inspection program, to include the activities assessed, program areas covered, and methodology utilized. In addition, the form compiles information gathered through the NRC's self-inspection program during FY 2015, to include:

- a) a summary and an assessment of the findings from the self-inspection program, to include details of the implementation of core elements of the NRC's classified national security information program;
- b) specific information from the review of the NRC's original and derivative classification actions;
- c) actions taken or planned to correct deficiencies; and
- d) best practices identified during NRC self-inspections.

If you have any questions, please contact Mr. Darryl Parsons, Chief of the Information Security Branch, Office of Nuclear Security and Incident Response at (301) 415-7751 or Darryl.Parsons@nrc.gov.

Sincerely,

/RA/

Michael R. Johnson
Deputy Executive Director
for Reactor and Preparedness Programs
Office of the Executive Director for Operations
