Washington, DC 20555-0001

Termination of Quality Assurance Program Approval No. 71-0832

Dear Ms. Silva:

The purpose of this letter is to request the U.S. Nuclear Regulatory Commission (NRC) terminate Quality Assurance Program Approval No. 71-0832. The NRC terminated the Certificate of Compliance for the Paducah Gaseous Diffusion Plant, Docket No. 70-7001, Certificate No. GDP-1, on February 2, 2015. The Quality Assurance Program Approval No. 71-0832 is, therefore, no longer needed.

If you have any questions regarding this matter, please contact me at (301) 564-3250.

Sincerely,

Steven A. Toelle
Director, Regulatory Affairs
