ADDITIONAL INFORMATION (Reference applicable block numbers from page 1 and/or page 2 for each entry)

Brief summary of what Best Theratronics will do in removing Gammacell 1000 Serial Number - 217 back to Canada for disposal:

- Hire an approved transport company to ship the new Gammacell 1000 to St. Christopher's Hospital for Children.
- Hire local riggers to assist Best Theratronics technicians to move the Gammacell 1000 from the current location to the loading dock where it is to be packed in the overpack for transport back to Canada.
- In most cases the metal stand, covers and electronics will be disposed of locally by the hospital. If that is not possible then it will be brought back to Canada, but it is not the preferred solution.
