Dear NRC Rule Reviewers:

Attached is our rule proposal, published today which incorporates Part 37 by reference. Please note that in order to perform your review of new Subchapter 65 (Part 37), you also have to review Subchapter 1, particularly 1.6 **Incorporation of the Code of Federal Regulations by reference**, where we are proposing generic incorporations in order to limit the amount of rule proposals necessary in the future. Please also note amendments to Subchapter 6 (Part 20), 58 (Part 40), 60 (Part 70) and 61 (Part 71). We believe this closes out all outstanding RATS for NJ.

Please acknowledge receipt of this email and let me know if you have any questions.
