PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

See 5 U.S.C. 552(c). This is a standard notification that we give to all requesters; it should not be taken as an indication that any of these excluded records do, or do not, exist.
- We have withheld certain information in the records from disclosure pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.
- Because this is an interim response to your request, you may not appeal this determination at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination on your request.
- You may appeal this final determination within 30 calendar days of the date of this response, by writing to the FOIA Officer, U.S. Nuclear Regulatory Commission, Washington, D.C. 20555-0001. Please be sure to mark your letter/envelope or email that it is a "FOIA Appeal."

PART I.C COMMENTS (Use attached Comments continuation page if required)

This is the first interim response to your 10/5/15 FOIA requesting the hazard analyses and NRC reviews of the natural gas pipelines near the Indian Point (IP) nuclear plant referenced in paragraphs 4 and 5 of ML110890309, and the sections from the current version of the IP PSAR on external hazards. This interim response is from NRR; we are still waiting for another response from NRR and from the licensee. IP UFSAR Chapter 2 contains external hazard information, and is already publicly available at ML14287A295.
