## General Comment

I am sickened by your greed, asonished at your lack of foresight, and saddened by your lack of compassion. I don't recall Anyone asking the residents of South Florida what type of energy we want. I would prefer almost anything over what you plan to do. I am 100% Against adding any nuclear reactors. I cannot fathom how you even got approval to build the First one on the shores of Biscayne National Park. You're going to destroy that ecosystem, and then destroy us. PLEASE STOP! DO NOT DO THIS. WE ARE AGAINST IT.
