Subject: [External_Sender] RE: RE: 71-9297 license approval

John,

Thank you for all of your support on the Traveller license.

Due to the large number of countries that the traveller is validated in, Westinghouse would like to have revision 7 of the certificate valid for 2 years rather than the usual 1 year. This will ensure our ability to work through all the necessary validations.

If you have any questions or need any more information, please let me know.

Best regards,

Wes Stilwell
