**RE: Application and Payment for XR Export License to Slovenia**

Dear Deputy Director,

Please find the attached application for an XR export license to Slovenia to support Westinghouse's contracted shipments of Rod Cluster Control Assemblies and Reactor Primary Coolant Pumps to the KRSKO plant.

Please note that we previously held an NRC XR export license to Slovenia for the KRSKO that lapsed in August 2014, XR 107, Amendment No. 5, attached. Based upon this past license, we are asking for our application to be expedited, if at all possible.

Also enclosed is a check in the amount of \$17,400 to cover the application fees for an XR export license to Slovenia.

Should there be any questions in regards to this application, please call the undersigned at 724-940-8198.

Thank you for your attention to this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'E.P. McBride-Lovas'.
