 NRC Representative Name/Title: Dennis Lawyer/Health Physics

Subject: RAI, RSO Qualification

Discussion: I had called Mr. Paradiso earlier and had asked him to send me information about his use of licensed materials to show he is qualified to be an authorized user. He called me back to inquire what I specifically wanted. I discussed that he should submit what isotopes and quantities he has used or handled and where he had used these materials in the past.

Action Required: Mr. Paradiso will send in his qualification information.
