General Comment

The proposed CoC No. 1032, Amendment No. 0, Revision 1 states this is approved for HI-STORM FW. Does this mean it is not relevant or approved for use with Holtec HI-STORM UMAX system and/or has not been evaluated for use in the UMAX system? If so, which CoC for the MPC-37 is approved for use in the HI-STORM UMAX system?
