Rick
Sorry about the delay in getting back you.
Ill send out an updated appt with call in information.
Thanx
Alicia

Subject: [External_Sender] This Week's Draft RAI Clarification Calls

Alicia--Unsure if you are in the office, so I wanted to email you what I left as a v-mail message on your phone earlier today. FPL is planning to be available tomorrow and Wednesday at the times you offered for the calls. The only loose end is the call-in number (FPL can host, if desired).

Please confirm.

Thanks.

Rick
