#### PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- We did not locate any agency records responsive to your request. *Note:* Congress allowed agencies to treat three discrete categories of law enforcement and national security records as not subject to the FOIA ("exclusions"). See 5 U.S.C. 552(c). This is a standard notification that we give to all requesters; it should not be taken as an indication that any of these excluded records do, or do not, exist.
- We have withheld certain information in the records from disclosure pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.
- Because this is an interim response to your request, you may not appeal this determination at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination on your request.
- You may appeal this final determination within 30 calendar days of the date of this response, by writing to the FOIA Officer, U.S. Nuclear Regulatory Commission, Washington, D.C. 20555-0001. Please be sure to mark your letter/envelope or email that it is a "FOIA Appeal."

#### PART I.C COMMENTS ( Use attached Comments continuation page if required)

This is in response to your FOIA request dated September 23, 2015, in which you requested a copy of a winning grant application that was received between 2013 and 2015. Per your revised request dated October 21, 2015, you preferred an application that was submitted by Boise State University or North Carolina State University; whichever application was most cost-efficient to process up to your maximum cost of \$100. We are providing both grant applications for a little over half of the agreed amount to pay.
