Dear Mr. DiFrancesco:

On behalf of Rochelle Becker, executive director of the Alliance for Nuclear Responsibility, we are providing the NRC with a copy of our Reply Brief filed in the California Public Utilities Commission (CPUC) proceeding regarding the Diablo Canyon seismic study program. This is another follow up to our communication of May 12, 2015, in which we provided you our opening Protest in this case, accompanied by the reports of the CPUC's Independent Peer Review Panel.

Yours truly,
