Subject: [External_Sender] Spill Notification
Date: Thursday, November 05, 2015 3:36:00 PM

Ron,

We had a ~700 gallon spill of injection fluid today in PA#1 at the Nichols Ranch Unit. The spill was contained in the wellfield and was located in the SESE of Section 7, Township 43N, Range 75W.

With the spill being more than 420 gallons, the State of Wyoming had to be notified.

Please let me know if you have any questions.

Thanks,

Mike
