**Subject:** FW: License Exam - Reschedule

Good morning,

Please see below. Per phone conversation, RIAEC has delayed their examination until January, 2016.

Thanks,  
Michele DeSouza

**Subject:** [External\_Sender] License Exam - Reschedule

Good morning.

The Rhode Island Nuclear Science Center is requesting that we reschedule the reactor operator's exam scheduled for 9/2/15 - 9/3/15. We conducted a full practice exam yesterday and have concluded that our candidate requires additional time to fully prepare for this exam. Thank you for your understanding and assistance.

Respectfully,  
Cameron
