Hello Cindy,

Last Thursday, three NRC staff met with the Timbisha Shoshone Tribal Council to discuss the staff's draft supplement to the Department of Energy's environmental impact statement for the proposed repository at Yucca Mountain. The Tribe's Chairman, George Gholson, asked that we enter the comment below into the record. Can you please ensure this comment is processed into ADAMS under docket number NRC-2015-0051?

Comment: "The Tribe opposes the use of the Yucca Mountain repository for any nuclear waste."

Thank you,  
Christine
