Mr. Clyde Osterholtz
Chief Examiner, Region IV
U.S. Nuclear Regulatory Commission
1600 E. Lamar Blvd.
Arlington, TX 76011-4511

South Texas Project
Units 1 and 2
Docket Nos. STN 50-498, STN 50-499
South Texas Project Initial License NRC On-Site Exam Scheduled for Sept. 24, 2015

This letter is accompanying the Final Examination Materials for the South Texas Examination scheduled for Sept. 24, 2015.

All examination materials have been provided in electronic form.

None of these exam materials are to go to the Public Document Room (ADAMS) until after the examination has been completed. There are no commitments in this letter.

If you have any questions, please contact Stanley A. Mason at (361) 972-4356 or (361) 972-7586.

Sincerely,

Gregory W. Janak
Manager, Operations Training
