**Subject:** [External\_Sender] Freedom of Information Action (FOIA) Request

Pursuant to the Freedom of Information Act, Curtiss-Wright is requesting NRC Action on the following:

I am interested in receiving copies of all Event Notifications prior to January 1, 1999 for all US Nuclear Power plants. A Excel spreadsheet or Access Database with appropriate fields would suffice, considering the nature of event notifications under 50.72 are most likely maintained in a database.

I understand some notifications may not be allowed to be released due to their sensitive nature or may Safeguards related.

Thank you in advance.

Sincerely,
