RE: Florida Power & Light Company
St. Lucie Power Plant
IWW Permit No. FL0002208, Biological Plan of Study
RFI – Provide Full Data Report in lieu of Data Summary Files

During a teleconference on August 25, 2015, the State requested that the St. Lucie Plant provide all of the data collected during the Biological Plan of Study (BPOS), in lieu of the data summary that was initially provided. Please find the BPOS Report in its entirety with all of the data collected during the study. This information is being forwarded via compact disc (CD).

If you have any questions or need additional information, please contact Vince Munné at (772) 263-2847.

Sincerely,

A handwritten signature in cursive script that reads "Christopher R. Costanzo".
