Dear Mr Layton,

It gave me great pleasure to learn that you have been nominated by your Government to be a member of the Nuclear Security Guidance Committee (NSGC). I am therefore appointing you to this Committee for the current three year term, which started in April 2015. In accordance with the nomination from your Government, I am also appointing Ms Martha Larson, Mr John Mentz and Ms Renee Sonderman as your alternates for this period, who may serve as a member of the Committee in your absence as necessary.

The Terms of Reference of the Committee are attached for your information. The Scientific Secretary for the Committee is Mr Ian Barraclough from the Division of Nuclear Security (I.Barraclough@iaea.org). He will contact you with more details and information relating to the next meeting of the Committee, which will take place in Vienna from 2 to 6 November 2015.

I look forward to your contribution to the work of the Committee.

Yours sincerely,

Juan Carlos Lentijo
