Q2

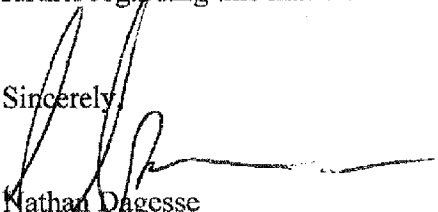

03038810

To Whom It May Concern:

Our Company, EIV Technical Services, has sold its portable Nuclear Gauge to S.W. Cole Engineering, Inc. on September 3rd, 2015. The Humboldt HIS Model 5001-EZ122 (serial #5500) gauge was transferred in its entirety away from the property at 55 Leroy Rd-Suite 15, Williston, VT 05495, to the possession of S.W. Cole Engineering on October 30, 2015 at 2:00 pm.

Attached is a letter of Acknowledgement from S.W. Cole Engineering regarding receipt and possession of the Humboldt 5001EZ Gauge. Please let me know if you need anything further regarding this matter.

Sincerely,

Nathan Dagesse
Vice President/RSO
