U.S. Nuclear Regulatory Commission
Licensing Branch
801 Warrensville Road
Lisle, IL 60532-4351

Attention: Licensing Branch

To whom it may concern

Lone Star Industries d/b/a Buzzi Unicem USA would like to request an amendment to our license 24-26333-01. Texas Nuclear was purchased by Thermo Process Instruments.

I would like to change the supplier from Texas Nuclear to Thermo Process Instruments. The model numbers and activity stay the same.

If you need any more information please let me know.

Thank You

Stan Essner RSO
