**SUBJECT: MAINTENANCE OF REFERENCE MATERIALS AT THE DANIEL BOONE
REGIONAL LIBRARY FOR THE ENVIRONMENTAL REVIEW OF NORTHWEST
MEDICAL ISOTOPE, LLC CONSTRUCTION PERMIT APPLICATION**

Dear Ms. Sappington:

This letter is a follow-up to our telephone conversation on November 9, 2015, concerning the maintenance of the Northwest Medical Isotopes, LLC (NWMI) environmental report by your library. This document is related to the U.S. Nuclear Regulatory Commission (NRC) staff's environmental review of NWMI's construction permit application.

The NRC staff appreciates your willingness to assist the public in participating in the environmental review of the construction permit application process. As discussed, your support would consist of providing shelf space in your reference section for one large binder. The binder includes the enclosed copy of NWMI's environmental report.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at (301) 415-2719 or via e-mail at Nancy.Martinez@nrc.gov.

Sincerely,

/RA/
