Subject: RAI, Financial Assurance

Discussion: I discussed with Mr. Casole that the address request for the amendment needs to be supported by the financial assurance documents. The Statement of Intent and the Certification of Financial Assurance needs to be changed. He stated that the recalculation of the certification of financial assurance would need to be done in April. He plans to recalculate and submit new financial assurance documents to support the amendment by the end of December.

Action Required: RSO to submit financial assurance by the end of December
