**FLORIDA POWER & LIGHT COMPANY’S UNOPPOSED MOTION
FOR EXTENSION OF TIME TO FILE MOTIONS FOR SUMMARY DISPOSITION**

Pursuant to 10 C.F.R. § 2.323, Florida Power & Light Company (“FPL”) moves the Atomic Safety and Licensing Board to extend the regulatory deadline for motions for summary disposition. Currently, the hearing in this proceeding is scheduled for the week of January 11, 2016. Under 10 C.F.R. § 2.1205, motions for summary disposition may not be filed later than 45 days prior to the start of the hearing. Depending on the ultimate hearing date, this deadline would fall between November 30 and December 2. Currently, CASE’s deadline for filing rebuttal testimony is December 1, 2015. FPL believes that it would be most efficient for such motions, if appropriate, to be filed following the submission of all testimony. For this reason, FPL requests a modest extension of this deadline to December 4, 2015.
