NRC STAFF WITNESS LIST

The staff of the U.S. Nuclear Regulatory Commission hereby provides its revised witness list for the mandatory hearing for the combined licenses for South Texas Project, Units 3 and 4. These revisions are being made as a result of the staff's pre-hearing preparations. The staff has identified each witness along with the organization with which he or she is affiliated, as well as whether the witness's area of expertise pertains to safety matters (i.e., topics covered in the staff's final safety evaluation report) or to environmental matters (i.e., topics covered in the staff's final environmental impact statement).

Respectfully submitted,
