**Subject:** Follow up Questions to Amendment Application  
(NOTE: This will be used as the Documents Title in ADAMS)

I called Mr. Novesty to get additional information and clarification on two items with their amendment request to add a new RSO to their license.

1: I reminded him that Mr. O'Connell needed to have a delegation of authority agreement in place. He mentioned that the delegation of authority was in process.

2: I also inquired about whether Mr. O'Connell was a full time employee or consultant. He stated that Mr. O'Connell was a consultant who would be physically on-site once per month and available via telephone as needed.

I thanked him for the information, told him that he should expect the amended license sometime in the next couple of weeks and ended the call.
