Subject: [External_Sender] SRS sheet review

Hello! Can you give me a call about the 11/04/15 SRS sheet we received? I have some of the same comments/questions as below, but it also looks like someone took an old SRS sheet (pre-October 2014 package) and modified *it* instead of the most current one...i.e., changes to the SRS sheet because of the October 2014 package are no longer showing. Thanks!
