Rich,

Sorry for not getting back to you earlier. Friday ended up being a travel day and I had limited connectivity as a result.

I am now ready and available today and tomorrow to discuss logistics. I'm busy from about 10-11:30am today, but I'll be generally available at any other point today or tomorrow. Please feel free to give me a call whenever is convenient for you.

Thanks,
Mike

Mike,

I have distributed the draft audit plan to the appropriate site and license renewal services individuals for review. I am prepared to discuss logistics with you when you are available.

Items to discuss:

When would the audit occur?

Would we be able to have a clarification call?

Would you need the documents / information before the audit, or available when you arrive?

I will be off all next week. However, I will be monitoring my emails, so if we need to talk next week, just let me know.

Thanks,

Rich

Rich,

As discussed, here is a draft of the audit needs list for the audit that we are proposing. Once you've had a chance to review, let me know and we can further discuss logistics.

Thanks,

Mike
