As per our telephonic discussion today, in reviewing the amendment request to change you to the RSO, the copy of your portable gauge training was dark and hard to read. I would like to request for you to send a legible copy via email in pdf scanned form, if possible.

As soon as I receive the requested information, I can proceed with the amendment request. Send the requested information by **COB Monday, November 30, 2015**. If you have any questions, feel free to contact me via the information listed in this email.

Thanks,

Latischa
