Division of New Reactor Licensing

Docket No. 52-046
MKD/NW-15-0279L

Subject: Revised Response to RAI 85-7949

References: 1) NRC Request for Additional Information 85-7949, dated July 16, 2015
2) KHNP Submittal MKD/NW-15-0095L, Response to RAI 85-7949, dated September 10, 2015

KHNP is hereby submitting revised DCD proposed change pages associated with the response to RAI 85-7949, dated September 10, 2015 (ML15253A971). The revised change pages pertain to questions 03.09.04-1 and 03.09.04-2 and are being provided to add information to the DCD that was provided in the response (Attachment to 03.09.04-1) and to make editorial corrections (Attachment to 03.09.04-2) to the originally supplied change pages.

The original submittal included both a Proprietary and a Non-Proprietary version of the responses. However, since the revised change pages only affect the DCD proposed changes and do not affect the previously provided responses in any way, only a Non-Proprietary version is enclosed.

If additional information or clarification is required, please contact Daeguen Ahn, Director of KHNP Washington DC Center at ahn.daeguen@khnp.co.kr or 703-388-0592.

Sincerely,

A handwritten signature in black ink, appearing to read "Jae-yong Lee", is written over a horizontal line.
