---

Good Morning

This E-Mail is acknowledgement of receipt and acceptance for review of your following request:

LAR 15-09 Proposed Amendment to Materials License SNM-2010 to Modify License Condition 10  
(c) Removal of the Environmental Report from License Basis Documents

LAR 15-09 has been assigned the following TAC (L34339), should you have any questions on the status of this review please reference this TAC in your correspondence. We have noted your request for a timely review and will do our best to process this as expeditiously as possible. Please note that if we have any requests for additional information, the most critical time line is how long you take to respond as the review is essentially on hold during your review period. Do not hesitate to contact me if you have any questions.

Michael Raddatz, Sr. Project Manager
