SUBJECT: TERMINATION OF YOUR NRC RADIOACTIVE MATERIALS LICENSE

Dear Mr. Miller:

In "Certificated of Disposition of Materials" dated September 18, 2015, you contacted the U.S. Nuclear Regulatory Commission and indicated that you wished to terminate NRC radioactive material license 13-32754-01. The NRC staff has reviewed your final status surveys and based on its review, the staff has concluded that all licensable radioactive material has been removed from your facility. Based on these conclusions no further remediation or actions with respect to NRC regulated material is required and the facility at 1432 Sadlier Circle East Drive, Indianapolis, Indiana, is suitable for unrestricted use and NRC license number 13-32754-01 is hereby terminated.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, please contact me at (630) 829-9887

Sincerely,

A handwritten signature in cursive script that reads "William P. Reichhold".

William P. Reichhold
Materials Licensing Branch

License No. 13-32754-01
Docket No. 030-38067

Enclosure: Amendment No. 5
