Ms. Kimberly Conway
United States Nuclear Regulatory Commission
Two White Flint North
11545 Rockville Pike, MS 8-F8
Rockville, Maryland 20852-2738

Dear Ms. Conway:

Enclosed is a deliverable report for project JCN F1163: Terminated License and Complex Site Tracking Systems. The deliverable summarizes the research effort of historical non-military radium sites. Please let me know if you have any questions or comments regarding the research effort or the report.

Best Regards,

Anthony Q. Armstrong, Project Manager
Terminated License Reviews (F1163)
