Dave:

The NRC staff is in process of developing the Quad Cities SA and need to reference the two documents below. Please provide this information on the docket for our use.

1. AWA ssPMP Main Report for Quad Cities

This request is for the complete AWA ssPMP report in PDF format, including all appendices (ERR document QDC-0085-S-1989, Attachment 2).

2. AWA ssPMP LIP Calculation Package for Quad Cities

This request is for the complete calculation package for site-specific LIP calculations, including all appendices (ERR document QDC-0000-S-2131).

Based on our conversation, it will be about a 2 week turn-around for this information. We will track this item with a delivery date of October 20th.
