MEMORANDUM AND ORDER
(Scheduling Prehearing Conference)

In response to the Licensing Board's November 23, 2015 memorandum and order concerning the schedule for a telephone prehearing conference with the parties, see Licensing Board Memorandum and Order (Scheduling Prehearing Conference) (Nov. 23, 2015) at 2 (unpublished), a spokesperson for the parties contacted the Board on November 30, 2015, regarding their availability for the conference. Based on the information provided, the conference is being scheduled for Friday, December 4, 2015, beginning at 10:00 a.m. Eastern Time.

The Licensing Board will establish a bridge line for this conference, with two lines provided for each party.¹ In the near future, Board personnel will contact the parties with instructions on how to access the telephone bridge.

¹ For the purpose of this conference call, the Board will treat Joint Intervenors Blue Ridge Environmental Defense League and the Southern Alliance for Clean Energy as separate entities and provide two lines for each. If any party requires additional lines, it should promptly contact Board law clerk Cooper Strickland at cooper.strickland@nrc.gov.

During the conference, the Board would like to discuss with the parties (1) the prospect for further settlement negotiations regarding closing out this adjudicatory proceeding at this juncture (albeit subject to future reinstatement, as appropriate); and (2) whether the existing circumstances regarding this proceeding warrant an additional revision to the current schedule for mandatory discovery disclosures and hearing file updates, see Licensing Board Memorandum and Order (Revising Schedule for Mandatory Disclosure/Hearing File Updates) (Apr. 20, 2012) at 2 (unpublished) (providing for quarterly mandatory disclosure/hearing file updates).

It is so ORDERED.
