Subject: FW: Please Review - For PWROG proprietary determination

Chad,

The Westinghouse technical team has reviewed the attached and has provided the following:

The Westinghouse Program Team has reviewed the SUMMARY ASSESSMENT OF PWROG-14048-P and concluded that there is nothing that would be considered Westinghouse Proprietary contained in this document. We do however have a couple clarifying comments that we would like to have considered prior to issuing this document. The attached markup contains our comments. If there are any further questions or clarifications needed on these comments please feel free to let us know.

The technical contact is Bryan Wilson. He can be reached at wilsonbm@westinghouse.com

Thanks

Jim
