Subject: Request for additional info

Discussion: I contacted Mr. Carlson as he is listed in the amendment request as the contact person. Mr. Carlson is the RSO for the licensee and it appeared that he was also a contractor. I explained to Mr. Carlson that requests should be signed by a member of the licensee's management. I requested that a member of the licensee's management submit a statement that confirms statement in the amendment request. I also informed Mr. Carlson that although he submitted a map of survey areas, he did not provide the results. Mr. Carlson agreed to submit the information requested.
