Subject: Notification of Temporary Jobsite - Hunters Point Naval Shipyard San Francisco, CA;
NRC License # 20-31340-01 1030-37850

Dear Director,

1. The purpose of this letter is to provide 14 day prior notification of conducting temporary work under license# 20-31340-01. Specific information as required by paragraph 15A of the license is provided.
2. The primary radionuclide of concern is Ra-226, solid form, from historical shipyard operations. Estimated quantity is 0.5 Curie.
3. Site is located at the former Hunters Point Naval Shipyard, San Francisco, California.
4. The overall scope of the project is to perform base wide radiological control support and land area remediation activities. Radioactive material generated is secured and stored on the shipyard property until transferred to Navy contract waste broker for off-site disposition.
5. Project is estimated to start November 18, 2015 and continue through July 31, 2017.
6. Key personnel include; Authorized User, Takeshi Ibuki (415-398-6547 x235), and Project Manager, John Hackett (303-486-2512).

If you have any questions regarding this submission, please feel free to contact me at any time.
