

10.0 Introduction – Proprietary Information

This Part of the STP 3 & 4 COLA is withheld from public disclosure in accordance with 10CFR2.390 because it contains commercial proprietary information.

The information in COLA Part 10 is a compilation of the proprietary information referenced in the reference ABWR DCD. This information, which was included in Revision 4 of the Standard Safety Analysis Report for the ABWR, is included in the STP 3 & 4 COLA in compliance with the requirement of Section IV.A.3 of the ABWR Design Certification Rule that the plant specific DCD physically include all proprietary information referenced in the ABWR DCD. It is presented herein by the table or figure number and title corresponding to the DCD Appendix or Section in which it was referenced.

The information presented in this COLA Part has finality in accordance with Section VI.B.2 of the ABWR Design Certification Rule, and does not constitute a supplement to or a departure from the reference ABWR DCD.
