Office of the Executive Director for Operations

SUBJECT: DATA CENTER SERVICES SYSTEM DECOMMISSIONING  
DECISION

This memorandum responds to your request (Agencywide Documents Access and Management System (ADAMS) Accession No. ML15271A230) received on September 28, 2015, to decommission the Data Center Services (DCS) system from all operation. The Chief Information Security Officer recommended decommission of the DCS system (ADAMS Accession No. ML15337A363) based upon the decommission plan and the fact that all functionality and information has been moved to the Information Technology Infrastructure system and Business Application Support System. Based upon this recommendation and the documentation of the decommissioning action, we authorize decommissioning of the DCS system.
