RE: PATRIOT COAL CORPORATION AND AFFILIATES
 CHANGE OF CONTROL NOTIFICATION

Dear Sir or Madam:

Pursuant to Nuclear Regulatory Commission regulations in 10 C.F.R. Part 2, Subpart M, Patriot Coal Corporation ("Patriot") hereby provides notice that on October 28, 2015 Patriot Coal Corporation and its wholly-owned subsidiaries successfully completed the Chapter 11 restructuring process thus completing Patriot's Plan of Reorganization. Patriot has completed the transactions to sell most of Patriot's operating assets to Blackhawk Mining, LLC and to sell substantially all of its remaining assets and liabilities to an affiliate of Virginia Conservation Legacy Fund, Inc. ("VCLF"). Several of Patriot's affiliated companies with operations in West Virginia are NRC license holders and a complete list of these NRC licenses, including the names of successor companies, is provided below.

These facilities have continued operating according to the permits and licenses that they hold. Moreover, very little change will occur at these facilities in respect to the individual licenses. License 47-23023 requests to change the RSO from Kenny Daniel to Michael Henderson (certification attached). License 47-24917 requests to change RSO from Kenny Daniel to Erman Moore. License GL-707879 had all devices removed, returned to the manufacturer and reported with the annual registration dated 2/26/10. License GL-41212 had all devices removed, returned to the manufacturer and reported with the annual registration dated 4/28/15. Notification of termination is requested for these two licenses. There is no change to physical addresses, mailing addresses for successor companies is provided below.
